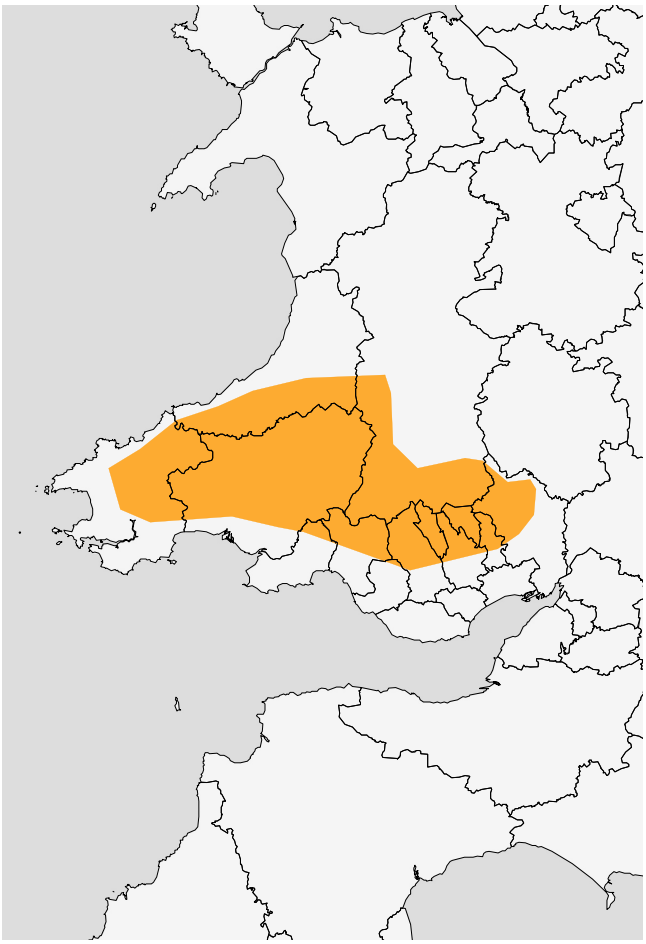
Amber warning
Rain

Between
20:00 Fri 19 Feb 2021 and
18:00 Sat 20 Feb 2021



Heavy, persistent rainfall is expected to result in some flooding and disruption to transport and utilities.

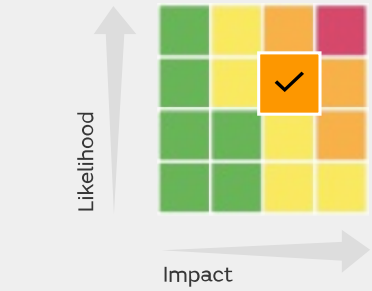
What to expect

- Delays and some cancellations to train and bus services are likely
- Spray and flooding probably leading to difficult driving conditions and some road closures
- A good chance some communities cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses likely

Further details

A slow moving frontal system is expected to bring persistent and at times heavy rainfall to parts of Wales through Friday and much of Saturday.

35 to 70 mm of rainfall is expected widely within the warning area, with high ground and upslopes exposed to the south and southwest expected to see significantly more.



Medium likelihood of medium impacts
